

Recycle Colorado Seeks Candidates for its Future Leaders Scholarship

This scholarship covers registration for students, recent graduates, and those looking to get into the recycling, composting, and waste reduction industry to attend the 2024 Summit for Recycling conference.

2024 Summit for Recycling

Where: Hilton Fort Collins, CO

When: June 3rd-5th, 2024

Website: www.recyclecolorado.org/summit-for-recycling-conference

What happens at this event: Learn about career opportunities in the recycling, composting, waste diversion, circular economy and sustainability fields, while connecting with private businesses, local government, nonprofits, and university representatives. The conference agenda includes educational sessions, a variety of subject-matter experts, a business partner showcase, and fun networking opportunities.

What you get

- Free attendance to the premier recycling conference for the state of Colorado, including access to sessions on composting, policy, recycling and waste reduction. Scholarship also includes attendance to the awards gala, policy retreat, and conference tours
- Support from a mentor who is active in the industry, with an attempt to match this mentor to your specific experience and interests.
- Fantastic networking opportunities with professionals in a growing and exciting industry.

To Apply

Candidates engaged in environmental sciences, sustainability, engineering, marketing, business and related activities, are highly encouraged to apply. Applicants must currently be enrolled at a higher education institution, a recent graduate of high school or a higher education institution, or an individual looking to get involved in the recycling, composting, or waste reduction industry.

Eligible applicants must fill out the online application. **Responses are due by Friday, May 10th at 5:00 PM.** Applications will be reviewed by a panel. Recipients will be announced by the third week in May.
