CONSERVATION MADE EASY

Joe Pitts
Resource Central
Boulder, Colorado

Resource Central

- We help local communities meet their zero waste goals
- Mission: Conservation Made Easy
- 501(c)(3) Nonprofit Organization
- 50 years helping communities save water, conserve energy & reduce waste
- 1 million + program participants statewide

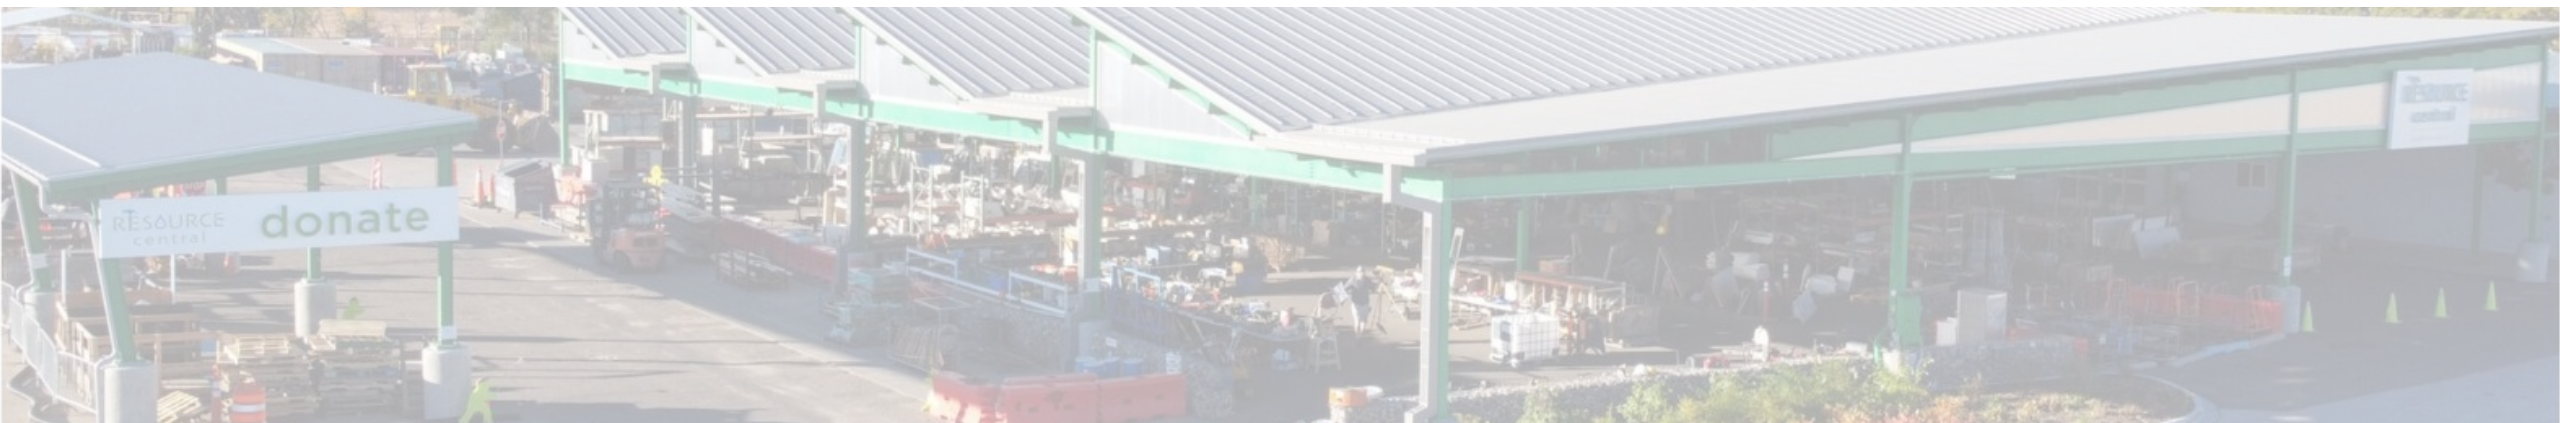

Materials Reuse Program

- 55,000 sq ft reuse facility in Boulder, CO
- Donation-based, social enterprise model
- Cabinets, lumber, tools, appliances & much more
- Key partnership with the City of Boulder's deconstruction ordinance
- Conservation made easy- community hub with live music, creative reuse artists, DIY workshops, fun volunteer program
- Strategic Priority - Expand our waste diversion program statewide

Program Impact

- 70 million lbs of building materials diverted from landfills
- 60,000+ program participants annually
- Significantly reducing pollution
- Important community resource- especially for low/moderate income & underserved populations

Summit for Recycling - Grand Junction, Colorado - June 2nd-4th, 2025

A cartoon illustration of a grey donkey standing on a brown background. The donkey is wearing a white shirt, a brown hat with a white band, and a brown backpack. It is carrying a large, brown, rectangular bundle on its back, which is secured with straps and buckles. A white cloth is draped over the side of the bundle. The donkey has a friendly expression with large, dark eyes.
