The Summit Business Partner Showcase highlights the latest products, services, technology and recycling resources. Contact Recycle Colorado to reserve a booth.

Tours June 11

Pueblo RecycleWorks & Roots Recycling

Visit the City of Pueblo's first permanent drop-off site for residents, made possible by a 2017 RREO grant. Then stop at Roots Recycling to see how the materials are processed at their facility.

Southern Colorado Services and Recycling & Rock Worx

See a facility that handles hard-to-recycle items (electronics, paint, cooking oil, light bulbs) and a concrete and asphalt crushing and reuse operation that serves southern Colorado.

EVRAZ Rocky Mountain Steel

Walk through the iconic steel mill and learn about EVRAZ, the largest recycler of any material by weight in the state of Colorado.

Vestas Wind Towers Plant

Opened in 2010, the Pueblo facility is the largest wind tower manufacturing facility in the world. This tour will highlight the company's efforts to increase renewable energy use worldwide, and internal sustainability goals.

Yoga & Walking Tour

Enjoy a 30-minute yoga session, then a short walk to visit Solar Roast coffee.

Pueblo Convention Center

320 Central Main St
Pueblo, CO 81003

Conference rates are available at the SpringHill Suites and Courtyard Pueblo Downtown adjacent to the convention center. Make your reservation before May 24.

Visit www.recyclecolorado.org for program details, including session descriptions and speakers.
